CEDIDAC's Intellectual Property Half-Day

At a time when online platforms such as YouTube play a dominant role on the Net, legislators have adopted new laws to improve their fight against piracy. Success or failure? If you want to know more, come and listen to our experts this afternoon during the IP day set up by the CEDIDAC (Company Law Center at University of Lausanne) that is hosted each year by Philippe Gilliéron along with Ivan Cherpillod. More information [here](#).
