Publication of Philippe Gilliéron in swissprivacy.law

We are pleased to inform you about the publication on Swissprivacy.law of the paper authored by Philippe Gilliéron, entitled “The setting up of a data breach response plan”.

You shall find the publication here: L’établissement d’un plan de réponse en cas de faille de sécurité – swissprivacy.law.

Please take note that, although the paper is released in French, we may provide an English translation on our blog in the coming days.
